The UPDAA shall be having a reunion entitled "UP Dent Alumni: Pagbabago...Ngayon Na!!!" during the PDA convention on Oct 22, 6-9 pm) at Meeting Room 10 at the SMX convention center. Registration starts at 5PM. We, the UPDAA officers, are trying our best to involve as many alumni to help support our beloved UPCD as we prepare for our 100th year in 2015.

To spice up the evening we have invited Prof. Solita "Winnie" Monsod to be our guest of honor and speaker. We shall also be recognizing our UP Graduates who are currently working in government or public service. If there are UPCD graduates you know who are in such service please let us know. We shall also pay tribute our pillars on the college who have recently joined our Creator like Dean Bunag, Dean Jimena, Dr. Jake Ladao, and Dr. Rufino Achacoso (honorary UPDAA member) and our ever dependable Mang Jess. Dean Vic Medina III shall also update us on the progress and plans of UPCD and how the Alumni can help address their concerns. The evening will be full of surprises and fun-filled activities so please do join us!

Registration fee is P500 which covers cocktails, dinner, and raffle prizes. Also, if you wish to help out the UPDAA and its activities, you may want to cover our association annual dues for this year (if you haven't paid yet) for P500.
