4 January 2008 Dear Alumni, Happy new year to you all! We are now trying to hurry with Centennial and Foundation celebrations. The Centennial launch will start with a motorcade on January 8. We have one jeepney assigned to the College and others who want to bring their own can bring their own and all of us from UP Manila will go to Diliman. Our Foundation celebration will be from February 4-8 with culminating activity on the 8th. Scientific sessions will be on the 6th. We are inviting alumni who can share expertise with us on that day for a 30-minute presentation and another 15-20 minutes discussion (Q & A). Please volunteer if you think you can share. We are also tapping the visiting professors - this is the time for us to hear from you. Dr. Armin Segarra is in-charge of the event. You may send your questions to him or Dr. Tristan Ramos who is the Chair of the Foundation. He will send details next week. We need to raise Centennial Professorial Chairs to help UP and its faculty tide over meager resources. We also need to dedicate rooms for centennial, which means that a batch can furnish a certain room with whatever it has to have (microphone, LCD, computer, etc.) such as the research lab or any laboratory or classroom. We also would like to complete the unfinished structure (4th level) with perhaps a mega auditorium (convertible to classrooms). Please tell us how you can help. It will be most appreciated. Thank you and celebrate with us here. It is only once in our lifetime that a Centennial celebration happens. We are blessed. Dr. Elz
