10Â August 2007Â Dear Alumni,Â We are going to have a testimonial on Wednesday August 15, 2007 noon in honor of the latest batch of successful board passers and topnotchers.Â Read more about it in our latest edition of Dentally. We are now gearing up for the Centennial celebrations.Â Our overall chair is Dr. Giselle Yumul, with Dr. Armin Segarra as Chair of the Scientific Sessions. The main celebrationsÂ will be onÂ Foundation DayÂ Â with Dr. Tristan Ramos as Chair of Foundation Committee.Â Please make sure you come around especially on the big day in February and give lecture(s) if possible.

We'llÂ keep you posted on our activitiesÂ and little juicy bits of news as we activate our website. Smile! Dr. ElzÂ
